CAMPAIGN OBJECTIVE

What this content should achieve

Help Ethiopians understand that Gizet is a marketplace where customers can discover useful products and local businesses can reach more buyers.

Target audience

Online shoppers in Ethiopia, small-business owners, product lovers, and people looking for a simpler way to discover local options.

Core message

Gizet brings products and Ethiopian businesses together in one marketplace where there is room for everyone.

CREATIVE DIRECTION

Make it feel native to your audience

Use these directions as a starting point. Do not copy them word-for-word. Your own voice and idea are part of what Kaba Bounty is paying for.

Content angles

- Find three useful or surprising products on Gizet.
- Explain why Ethiopia needs a stronger local marketplace.
- Show how a customer can discover products from different sellers.
- Speak to a small business owner who wants to sell online.

Hook starters

- Why is finding a simple product online still this difficult in Ethiopia?
- I found an Ethiopian marketplace you should know about.
- If you own a business in Ethiopia, this could help people find you.
- Three things I found on Gizet today.

RECOMMENDED FORMAT

15-60 seconds · Vertical 9:16 · Clear voice · Strong first 3 seconds

Film in good light, keep on-screen text readable, and make the business or product easy to identify. Edit for retention, but do not make the video feel like a television advertisement.

COMPLIANCE + PAYOUT

What gets approved and paid

Must include

- Say or show the name Gizet clearly.
- Show at least one real page, product, or marketplace interaction.
- Describe Gizet as a marketplace, not as the seller of every product.
- Use the campaign CTA and link supplied after approval.

Do not do

- Do not promise delivery times, discounts, or guarantees not in the brief.
- Do not misrepresent a vendor's product or price.
- Do not use copied footage without permission.
- Do not purchase views or use paid boosting.

SUBMISSION FLOW

- 01** Apply
Submit your creator profile through Kaba Bounty.
- 02** Get approved
Kaba Labs confirms your slot and shares the final CTA.
- 03** Submit idea or draft
Do not publish until the concept or draft is approved.
- 04** Publish + submit link
Post publicly and submit the live link and analytics.
- 05** Verification + payout
Views count for 14 days. Verified payouts are processed Friday.

Payout formula: qualified views ÷ 1,000 × campaign rate, up to the maximum reward. Suspicious traffic, deleted/private posts, paid boosting, or rule violations can be held or rejected.
