THE RULE

Original content. Organic views. Approval first.

Read every page before applying or producing the video.

01 CAMPAIGN DIRECTION

What this content should achieve

Help Ethiopian business owners understand that Kaba Labs is an accountable growth partner, not only a content-production agency.

CORE MESSAGE

Kaba Labs diagnoses the real bottleneck, prioritizes the right work, and stays accountable for execution.

TARGET AUDIENCE

Ethiopian founders, business owners, and managers who need stronger marketing and sales systems.

02 CREATIVE DIRECTION

Choose an angle, then make it yours

CONTENT ANGLES

- Explain why more content does not always fix a business.
- Show the difference between buying deliverables and hiring a growth partner.
- Break down one common business-growth bottleneck.

HOOK STARTERS

- Eight videos cannot fix the wrong business problem.
- Your ads may not be the real reason sales are slow.
- This is what a real outsourced growth team should do.

03 APPROVAL RULES

What gets approved and paid

MUST INCLUDE

- Say Kaba Labs clearly and show the approved logo or website.
- Explain diagnosis before deliverables.
- Use original examples and your own presentation style.
- Submit the idea or draft for approval before publishing.

DO NOT DO

- Guaranteed revenue, follower, or sales claims.
- Invented client results or testimonials.
- Purchased views, engagement groups, copied scripts, or paid boosting.
- Presenting Kaba Labs as only a video-production service.

04 SUBMISSION AND PAYOUT

Apply - approve - draft - publish - verify - pay

- 1 Apply** Submit your profile and choose this bounty.
- 2 Approval** Kaba Labs confirms the slot and final CTA.
- 3 Publish** Post only after the idea or draft is approved.
- 4 Payout** Qualified organic views are counted for 14 days and paid after verification.

PAYOUT STANDARD

Organic qualified views only. Fraudulent traffic voids the reward.
