

CREATOR ECONOMY

Explain how creators can earn from their views

BRAND

KABA BOUNTY

CREATOR RATE

175 ETB / 1,000 qualified views

MAXIMUM REWARD

7,500 ETB maximum per approved video

THE RULE

Original content. Organic views. Approval first.

Read every page before applying or producing the video.

01 CAMPAIGN DIRECTION

What this content should achieve

Help early creators understand how Kaba Bounty pays for qualified organic views and how to apply for a campaign.

CORE MESSAGE

Choose a bounty, follow the brief, publish approved original content, and earn based on qualified views.

TARGET AUDIENCE

Ethiopian TikTok and Instagram creators, especially smaller creators building their first portfolio.

02 CREATIVE DIRECTION

Choose an angle, then make it yours

CONTENT ANGLES

- Walk through the three-step creator process.
- Calculate what 10,000 or 50,000 qualified views could earn.
- Explain why creators do not need a huge following to start.

HOOK STARTERS

- You do not need a brand deal to start earning from content.
- What if 10,000 views could pay you?
- Small Ethiopian creators should know about this.

03 APPROVAL RULES

What gets approved and paid

MUST INCLUDE

- Show the Kaba Bounty website and the campaign selection process.
- Explain that content requires approval before publishing.
- Mention that only qualified organic views are paid.
- State that each campaign has a rate, cap, slots, and earning window.

DO NOT DO

- Promising every applicant will be accepted.
- Promising unlimited or automatic payouts.
- Fake views, engagement groups, misleading earnings claims, or paid boosting.
- Calling Kaba Bounty employment or guaranteed income.

04 SUBMISSION AND PAYOUT

Apply - approve - draft - publish - verify - pay

- 1 Apply** Submit your profile and choose this bounty.
- 2 Approval** Kaba Labs confirms the slot and final CTA.
- 3 Publish** Post only after the idea or draft is approved.
- 4 Payout** Qualified organic views are counted for 14 days and paid after verification.

PAYOUT STANDARD

Organic qualified views only. Fraudulent traffic voids the reward.
